

Conditions of Participation:

By participating in Ninepin Bowling Classic (NBC) competitions and events in the WNBA, I acknowledge the exemption of liability of the organizers and/or hosts. I understand that participating in these competitions and events may involve certain risks - such as injury or loss of property - which, despite all due care applied by the organizers and hosts, cannot be excluded completely.

I confirm that I participate in the competitions and events at my own risk and that I will take all reasonable steps to protect myself from the risks associated with my participation. I further agree that I am responsible for my property that I bring to the competition venues and, to the extent permitted by law, I will assume liability myself for any loss or damage to my property.

The liability of the organizer and/or host is - as far as legally permissible - limited to intent and gross negligence and I indemnify and hold them harmless in case of damage.

I hereby confirm that my state of health and training meets the requirements of the competition. I declare that I have trained sufficiently for the participation in the respective competition, that I am physically healthy and that my health status has been confirmed by a doctor.

Furthermore, I declare that I have familiarized myself with the dangers associated with the competition or event and that I have fully informed myself and accepted the dangers associated with it. I declare that I have been informed by the organizer and/or host about the dangers and safety risks. Therefore, I participate at my own risk.

I assure that the information I have provided for the registration in the competition is correct and that I will not pass my start number or accreditation to any other person.

I understand that the organizer and/or host reserves the right to exclude me from the competition in case of proven violation of the abovementioned obligations. The organizer and/or host holds the right to change the course of the competition. In case of failure, changes or cancellation of the competition due to force majeure, due to official orders or for safety reasons, costs will not be reimbursed. Should a person not start after their registration, they are not entitled to claim for reimbursement of fees. Changes of registration to other names before the competition are regulated by the International Sporting Regulations, Implementing Regulations and Announcements.

I am aware that as a participant in public events and competitions I may be photographed and/or filmed. These photographs and images may be processed and published (along with my name, voice, performance and biographical information) for the purpose of media coverage and promotion of the events or competitions. Only photographs that are neither secretly nor covertly taken and that do not affect my privacy or otherwise discredit me will be processed and published. I am granted the right to contact the responsible person if I do not agree with a publication for reasons worthy of consideration. For further information on the processing of my personal data, I shall refer to the privacy policy (also available at www.wnba-nbc.de/datenschutz).

By signing this form, I confirm that I have read and understood the conditions of participation and the declaration on data protection and agree to the conditions of participation.
