Warm Greetings from World Bowling!

I would like to extend my heartfelt welcome to all the participants of the following championships:

Ninepin Bowling Classic including U14 Single World Cup, U18 Single and Team, to be held in Dettenheim, Germany and Women and Men Team Ninepin Bowling Schere including Women and Men Single and Team to be held in Oberthal, Germany; as well as the European Championship Ninepin Bowling Breitensport/National including Single and Teams to be held in Munich, Germany.

I am most happy that WNBA is promoting the sport of ninepin through 3 championships in 2017. These will surely be showcases to put ninepin on a higher level.

I wish the organizers of these championships every success and to the competitors, may you perform to your expectation!
